DECREES

Art. 1 – Research project

A selection based on qualifications, possibly integrated by an interview, is open to award one research fellowship (“Assegno di ricerca”) – category Post-Doc”, in the framework of the project “MITiC: Mining The Cosmos, Big Data and Innovative Italian Technology for Frontier Astrophysics and Cosmology”, entitled: “**Cross-calibration of Gaia and large spectroscopic surveys**” (hereinafter referred to as “the project”), (ref. Dr. Elena Pancino).

The fellow will focus on cross-calibration of Gaia and large spectroscopic surveys, using both statistical methods and comparisons with high-quality literature samples. The ultimate goal is to obtain a catalogue as homogeneous and accurate as possible on the main stellar parameters of astrophysical interest: line-of-sight velocities, astrometry, effective temperature, surface gravity, metallicity, and abundances of chemical species. The result needs to be validated with literature samples of cluster stars, Gaia benchmark stars, stars studied with asteroseismology, or measurements obtained from very high quality spectroscopy. This type of work will enable a vast range of scientific investigations coordinated within the MITiC project: the Arcetri group focuses mainly on the structure and evolution of stellar populations within our Galaxy and its stellar clusters (both open and globular).

The position is based at INAF-Osservatorio Astrofisico di Arcetri (Florence – ITALY).

The activity will be carried out under the supervision of Dr. Elena Pancino (email: pancino@arcetri.inaf.it)

Art. 2 – Requirements

In order to participate in the selection, **applicants must possess, under penalty of exclusion** by the deadline for application of the present position:

- PhD degree in Physics, Astronomy or Engineering awarded by an Italian university or by a foreign university;

or, alternatively,

**ISTITUTO NAZIONALE DI ASTROFISICA
OSSERVATORIO ASTROFISICO DI ARCETRI**

L.GO E. FERMI, 5, 50125 – FIRENZE
TEL. +39-055-27521; FAX: +39-055-220039
C.F: 97220210583 P.IVA: 06895721006
pec: inafoarcetri@pcert.postecert.it

- Degree in Physics, Astronomy or equivalent which would formally entitle for the admission to a doctorate, awarded by an Italian university or by a foreign university, together with at least three years of documented experience after the degree, in research activities on topics related to the ones of relevance for the project.

Recent obtainment of academic qualifications (PhD or Degree), as well as other training activities, will be properly evaluated by the Selection Committee.

The following knowledge, skills and experience will be considered as **preferential qualifications**:

- (1) experience in stellar and Galactic astrophysics, especially resolved stellar populations and stellar clusters;
- (2) experience in optical and infrared spectroscopy and in the analysis of stellar atmospheres;
- (3) general experience in the statistical and computer treatment of large data sets, or experience in large observational projects (space missions and/or surveys);
- (4) general experience in calibration and standardization activities;
- (5) experience with large astronomical databases and data management tools.

Art. 3 – Duration of the Research fellowship

The Research fellowship starting date will be agreed with the scientific supervisor and should preferably be before July 2019. The fellowship has a duration of **one year, possibly renewable up to a maximum of three years**, depending on performance and funding availability. The starting date may be delayed if requested by the completion of administrative procedures and/or for the cases mentioned in the art. 10 of this call. In accordance with the Italian Law n. 240/2010 the total duration of the fellowship cannot in any case exceed six years (excluding periods of maternity leave or sick leave, in accordance with current legislation).

Art. 4 – Application procedure

Applications must be submitted in English as closed envelope by:

- authorized carrier (ex. DHL, FedEx, UPS, etc., preferable choice for applications coming from outside Italy);
- “Raccomandata A/R” (registered mail);
- in person, to the address INAF-Osservatorio Astrofisico di Arcetri, Largo Enrico Fermi 5, 50125 Firenze (ITALY);
- the application can be also submitted using applicant PEC account (Posta Elettronica Certificata: **no ordinary e-mail**) to the following PEC address: inafoarcetri@pcert.postecert.it

The PEC account must be compulsory registered to applicant’s name, on penalty of exclusion from the present call.

Applications must arrive no later than **March 15th, 2019 – 1.00 p.m. (CET)**.

Late deliveries will not be considered.

C.F: 97220210583 P.IVA: 06895721006
pec: inafoarceetri@pcert.postecert.it

The application must be delivered reporting on the envelope or in the PEC subject **“Application for Postdoc position DD n. 18/2019”**.

Aware that false declarations are punishable by law and that the Administration will carry out random checks on their accuracy, the applicant must state clearly and precisely in the application, under his/her own responsibility:

- name(s) and surname, date and place of birth, nationality, place of residence and address for correspondence;
- that s/he satisfies all the requirements described in article 2 of this Call, in particular the holding of the degrees;
- that s/he is aware of and is not ineligible under any of the restrictions described in article 5 of this Call.

For selection purposes the applicants:

- must directly state any academic qualifications in the application form (Annex 1);
- if successful, candidates with non-Italian academic qualifications (for example, applicants residing outside Italy or Italian citizens with degrees obtained outside Italy), must produce originals or suitably certified copies of these qualifications. Such documents must be **translated into English**.

Applications must include the following documents:

- Annex 1 “Application form”, **signed and dated** by the applicant;
- Annex 2, **signed and dated** by the applicant;
- copy of a valid identity document (ID card for EU-citizens or passport for non-EU citizens);
- “Curriculum vitae”, **signed and dated** by the applicant, providing evidence of possession of the requirements and the skills required to carry out the research and including a list, if applicable, of grants and fellowships held in the past and a statement of research interests;
- list of publications;
- if obtained outside Italy, copy of the Master Degree with list of individual courses and exam grades or PhD certificate (**translated into English**);
- any other qualification, working task, research activity for public and private institutions and publications that the applicant deems appropriate to submit;
- a maximum of two reference letters, to be sent directly by the referees to the address: **bandi-OAA@arcetri.inaf.it** by **March 15th, 2019 – 1.00 p.m. (CET)**.
Letters received after this deadline will not be considered;

Applications that are not consistent with the attached forms (Annex 1 and 2) or have not been signed by the applicant will be excluded from the selection procedure.

Applicants are admitted for selection with reservation and may – at any time – be excluded from the selection procedure for the following reasons:

**ISTITUTO NAZIONALE DI ASTROFISICA
OSSERVATORIO ASTROFISICO DI ARCETRI**

L.GO E. FERMI, 5, 50125 – FIRENZE
TEL. +39-055-27521; FAX: +39-055-220039
C.F: 97220210583 P.IVA: 06895721006
pec: inafoarctri@pcert.postecert.it

- submission of the application after the deadline;
- incomplete and/or unsigned application forms;
- failure to sign the curriculum vitae;
- lack of the copy of a valid identity document;
- lack of the requirements indicated in article 2 of this Call.

Should the reasons for exclusion be ascertained after completion of the selection procedure the applicant will lose any right deriving from participation in the selection procedure; providing any false statement or document will also be prevented from participation.

INAF accepts no responsibility for lost applications or documents where this is due to the applicant having provided incorrect contact details or having failed or delayed in notifying any changes to these details.

Art. 5 – Ineligibility and incompatibility with other funding

The grant cannot be held by full professors, associate professors or research staff in Italian universities or by employees of Italian research public institutions.

The grant cannot be held at the same time with attendance of academic courses as those that formally give access to a doctorate, as well as with attendance at PhD courses with fellowship.

The grant cannot be held simultaneously with other fellowships of whatever kind, except those awarded with the aim of integrating the training or research activity of the fellowship holder through a period spent abroad.

Aggregation of income from working activities, also part-time, carried out continuously is not accepted. Instead, limited self-employed occasional work is compatible with the grant, only if this is not prejudicial to the research activity carried out for INAF. This must be authorized in advance by the Director of INAF-Osservatorio Astrofisico di Arcetri. Retired persons are not eligible for the Research fellowship.

The candidate who does not satisfy the provision of co.9 of article 22 of Italian Law 240/2010 is excluded from the selection.

Upon formally accepting the grant, the successful applicant will issue a declaration that none of the above exclusions apply.

Art. 6 – Host Institution

The fellow will carry out the research at INAF-Osservatorio Astrofisico di Arcetri - Largo Enrico Fermi, 5 – 50125 Firenze (Italy).

Art. 7 – Salary amount

The gross annual salary will be **28,000 Euro** (twenty-eight-thousand/00). This amount is net of burdens to be charged to INAF-Osservatorio Astrofisico di Arcetri, social charges and health coverage and will be paid in deferred monthly instalments. The fellow will be requested to have a personal accident insurance for the duration of the fellowship.

Italian fiscal and social security rules will be applied.

During the period of obligatory maternity leave the allowance paid by INPS (Italian National Institute for Social Security) is supplemented by INAF up to the total amount of the grant.

C.F: 97220210583 P.IVA: 06895721006
pec: inafoarcetri@pcert.postecert.it

The period of obligatory maternity leave will not contribute to the duration of the grant foreseen by the contract.

Art. 8 – Selection Committee and selection procedure

The selection will be performed by a Selection Committee appointed by the Director of INAF-Osservatorio Astrofisico di Arcetri and composed of three members. The selection is based on qualifications possibly integrated by an interview.

The total ranking score is 100 points, of which 70 points is the maximum score for qualifications and 30 points is the maximum score for the interview.

In case of equal score, the Ph.D. title is considered as a preferential qualification.

The Selection Committee may establish a short list of the eligible applicants to be interviewed, on the basis of qualifications and documented experience in scientific activities on the specific subject of the research fellowship. Applicants selected for the interview will be summoned with 15 days of notice, containing the individual score for qualifications. The Selection Committee can decide to hold the interviews using a teleconference system.

At the end of the selection procedure the Selection Committee will draw up the ranked list.

The approval decree of the selection procedure and the ranked list will be published on the following website: <http://www.arcetri.astro.it>

Art. 9 – Awarding of the fellowship

The highest ranked candidate will receive written notification of award of the research fellowship. Within 10 days from receipt of the formal notification of the award she/he must provide a formal declaration of acceptance of the research grant. The declaration will also state that she/he is not subject to any of the exclusion conditions listed in article 5 of this Call.

If the candidate does not provide declaration of acceptance within a time limit of 10 days, she/he will surrender his/her entitlement to the research fellowship and it can be awarded to the next ranked candidate.

Under no circumstances the signing of the contract starts a subordinate employment relationship or ensures any rights to access permanent INAF staff positions.

Art. 10 – Fellowship obligations

The holder of the fellowship:

- will start the research activity at the date due as for the contract at INAF-Osservatorio Astrofisico di Arcetri, unless prevented by exceptional circumstances, of which the Director of INAF-Osservatorio Astrofisico di Arcetri must be timely informed;
- will carry out her/his research activities under the supervision of Dr. Elena Pancino, who will monitor the fellow's progress. Any renewal of the contract will be decided after the evaluation of an activity report to be periodically produced as established in the contract. The activity reports will be subject to approval from the scientist in charge of the project and will be transmitted to the Director of INAF-Osservatorio Astrofisico di Arcetri. Approval failing, duly reasoned by the scientist in charge, will give INAF-Osservatorio Astrofisico di Arcetri the right to terminate the contract;
- is required to send a written note in case of withdrawal, with at least 30 days notice,

pec: inafoaarcetri@pcert.postecert.it

otherwise the INAF-Osservatorio Astrofisico di Arcetri is entitled to retain or request the reimbursement of the salary amount corresponding to the notice time-span she/he has failed to send.

The holder of the fellowship who does not carry out her/his research activity regularly without producing justified reasons or lacks repeatedly to fulfill requirements or, according to the evaluation of the local coordinator Dr. Elena Pancino, eventually shows evident lack of skills at the planned research activities, will incur the termination of the contract.

Temporary suspensions of the research fellowship are due in case of obligatory maternity leave or in case of illness, lasting longer than one month or to any other serious reason. The reasons for suspending the research fellowship must be proved and certified, and promptly sent to the Director of INAF-Osservatorio Astrofisico di Arcetri.

Art. 11 – Proceeding Responsible

The Responsible of this Call proceedings is Dr. Serena Donati (email: bandi-OAA@arcetri.inaf.it).

Art. 12 – Applicable regulation

The INAF- Osservatorio Astrofisico di Arcetri shall abide by provisions in force promoting equal opportunities for women and men, non-discrimination and respect of privacy in processing personal data.

For what not explicitly mentioned in this announcement, the INAF- Osservatorio Astrofisico di Arcetri shall act in compliance with the regulations in force concerning Italian public selection procedures, when applicable by analogy.
