Decreto n. 84

Anno 2016

Selection procedure based on qualification and possible interview for the awarding of one research fellowship (Assegno di Ricerca) entitled: “Scientific exploitation of Adaptive optics data for studies on galaxy evolution”, Category: A/Post-Doc (in accordance with Article 22, Law 240/2010)

THE DIRECTOR OF INAF ASTROPHYSICAL OBSERVATORY OF ARCETRI

Having seen the Statute of the Istituto Nazionale di Astrofisica (INAF), adopted by INAF Administrative Council on 7 March 2011 and entered into force on 1 May 2011;

in accordance with having seen Italian Law n. 240 dated 30 December 2010, Article 22; the INAF Regulations for the awarding of research fellowships approved by INAF Administrative Council on 22 June 2011, Resolution n. 06/11 and subsequent modifications and integrations;

considering it appropriate to issue an announcement of competition for the award of a research fellowship;

given the availability of finance from fund Ob.Fu. 1.05.01.; Ob.Fu 1.05.06.01.02 Premiale 2013 LBT CUP C86D14000170001; Ob.Fu. 1.05.01.21 Laboratorio Nazionale Adoni CUP C92I15003100001, chapter 1.04.02.03.001 of the 2016 INAF budget

DECREES

Art. 1 – Research project

A selection based on qualifications, possibly integrated by an interview, is open to award one research fellowship (Assegno di Ricerca), entitled “**Scientific exploitation of Adaptive optics data for studies about galaxy evolution**” category A/Post-Doc.

The awarded fellow will carry out the following activities:

- simulation of future astronomical observations with AO instrumentation, in particular with ERIS and MICADO/MAORY;
- observing campaigns, data reduction and scientific exploitation of data obtained with AO instrumentation, including LBT/ARGOS, LBT/FLAO+LUCI, VLT/MUSE and VLT/SINFONI;
- studies of galaxy evolution, with particular regard to AGN/galaxy coevolution, ionization conditions and chemical enrichment of galaxies, using data from large telescopes (including AO).

The activity will be carried out under the supervision of dr. Simone Esposito and dr. Giovanni Cresci.

Art. 2 – Requirements

In order to participate in the selection, applicants must possess by the deadline, under penalty of exclusion:

- PhD degree in Physics, Astronomy or Chemistry awarded by an Italian university or by a foreign university, by the deadline for application of the present position;

or alternatively

- Master Degree in Astronomy, Physics or Chemistry which would formally entitle for the admission to a doctorate, awarded by an Italian university or by a foreign university, together with at least three years of documented experience after the degree, in research activities on topics related to the ones of relevance for this project.

The following knowledge, skills and experience will be considered as preferential qualifications:

- experience with scientific use of AO astronomical instrumentation;
- knowledge of tools for the reduction of astronomical data on imaging and spectroscopy;
- experience with scientific exploitation of optical and near-IR data from large telescopes;
- experience on studies of galaxy formation and evolution;
- experience with observations at large telescopes.

Art. 3 – Application procedure

Applications must be submitted in English as closed envelope by “Raccomandata A/R”, authorized carrier (ex. DHL, FedEx, UPS, etc.; preferable for applications coming from outside Italy) or, in person, at the Office Protocol to the address INAF-Osservatorio Astrofisico di Arcetri, Largo Enrico Fermi 5, 50125 Firenze (ITALY).

The application may be also submitted using applicant PEC account (Posta Elettronica Certificata: **no** ordinary e-mail) to the following PEC address: inafoarcetri@pcert.postecert.it

The PEC account must be compulsorily registered to applicant’s name, on penalty of exclusion from the present call.

Applications must arrive not later than **December 22nd, 2016 - 1.00 p.m. (CET)**, late deliveries will not be considered.

Applications which are not consistent with the attached forms (Annexes 1,2) or without the applicant’s signatures will be excluded from the selection procedure.

The application must be delivered reporting on the envelope or in the PEC subject **“Application for Postdoctoral position at INAF-Osservatorio Astrofisico di Arcetri, DD n. 84/2016”**.

Aware that false declarations are punishable by law and that the Administration will carry out random checks on their accuracy, the applicant must state clearly and precisely in the application, under his/her own responsibility:

- name(s) and surname, date and place of birth, nationality, place of residence and address for correspondence;
- that s/he satisfies all the requirements described in article 2 of this Call, in particular the holding of the degrees;
- that s/he is aware of and is not ineligible under any of the restrictions described in article 4 of this Call.

The lack of any of the above mentioned declarations will cause the exclusion from the selection procedure due to incomplete application.

For selection purposes the applicants:

- shall directly state any academic qualifications in the application form (Annex 1) in addition
- non-EU citizens residing outside Italy, if successful, must produce originals or suitably certified copies of academic qualifications obtained outside Italy. Such documents should be **translated into English**.

The following documents have to be submitted:

- Annex 1 “Application form”;
- Annex 2 “Curriculum vitae”, **signed and dated** by the applicant, providing evidence of possession of the titles and the skills required to carry out the research and including a list, if applicable, of grants and fellowships held in the past and a statement of research interests;
- copy of a valid identity document (ID card or passport);
- copy of the Master Degree with list of individual courses and exam grades or PhD certificate, **translated into English** if obtained outside Italy;
- list of publications;
- any other qualification, working task, research activity for public and private institutions and list of publications that the applicant deems appropriate to submit;

Applicant should also arrange for two signed letters of reference by persons familiar with her/his work who shall send them directly and within the deadline by e-mail with acknowledgement of receipt to the following address: gcresci@arcetri.inaf.it

Applicants are admitted for selection with reservation and may – at any time – be notified of exclusion from the selection procedure for the following reasons:

- submission of the application after the deadline;
- failure to complete and sign the application form;
- failure to sign the curriculum vitae;
- lack of the copy of a valid identity document;
- lack of the requirements indicated in paragraph 2.

Should the reasons for exclusion be ascertained after completion of the selection procedure the applicant will lose any right deriving from participation in the selection procedure; similar loss will be applied to applicants providing any false statement or document.

INAF accepts no responsibility for lost applications or documents where this is due to the applicant having provided incorrect contact details or having failed or delayed in notifying any changes to these details.

Art. 4 – Ineligibility and incompatibility with other funding

Full professors, associate professors and research staff in Italian universities and employees of Italian research public institutions are all excluded from entering the competition.

The grant cannot be held at the same time with attendance at academic courses as those that formally give access to a doctorate, as well as with attendance at PhD courses with fellowship.

The grant cannot be held contemporarily with other fellowships of whatever kind, except those awarded with the aim of integrating the training or research activity of the fellowship holder through a period spent abroad.

Aggregation of income from working activities, also part-time, carried out continuously is not accepted. Instead, limited self-employed occasional work is compatible with the grant, only if this is not prejudicial to the research activity carried out for INAF. This must be authorized in advance by the Director of INAF-Osservatorio Astrofisico di Arcetri. Retired persons are not eligible for Research fellowship.

Also excluded from participation are any person who has carried out Research fellowships under article 22 of Italian Law 240/2010 for a total period exceeding six years, including extensions, but excluding the periods in which the grant has been held in coincidence with doctoral studies up to the maximum legal time limit of the course and excluding periods of maternity leave or sick leave, in accordance with current legislation.

Art. 5 – Duration of the Research fellowship

The Research fellowship is expected to begin as soon as possible and has a duration of **one year**, possibly renewable. The exact initial date could be reasonably delayed (but not later than July 2017) if requested by the completion of administrative procedures and/or for the cases mentioned in the art. 10 of this call.

Extensions may be possible depending on performance and funding availability. In accordance with Italian Law n. 240/2010 the duration of the fellowship, inclusive of possible renewal, will not exceed six years, excluding periods of maternity leave or sick leave, in accordance with current legislation.

Art. 6 – Host Institution

The fellow will carry out the research at INAF-Osservatorio Astrofisico di Arcetri - Largo Enrico Fermi, 5 – 50125 Firenze (Italy).

Art. 7 – Salary amount

The gross annual salary will be **28,000 € (twenty-eight thousand/00)**. This amount is net of burdens to be charged to INAF-Osservatorio Astrofisico di Arcetri, social charges and health coverage and will be paid in monthly instalments.

This amount, paid in different monthly instalments, includes the provisions for all compulsory deductions under national applicable legislation, social charges and health coverage.).

The fellow will be requested to have a personal accidents insurance for the duration of the fellowship.

Italian fiscal and social security rules will be applied.

During the period of obligatory maternity leave the allowance paid by INPS (Italian National Institute for Social Security) is supplemented by INAF up to the total amount of the grant. The period of obligatory maternity leave will not contribute to the duration of the grant foreseen by the contract.

Art. 8 – Selection Committee and selection procedure

The selection will be performed by a Selection Committee appointed by the Director of INAF-Osservatorio Astrofisico di Arcetri and composed of 3 members.

The selection is based on qualifications possibly integrated by an interview.

The Selection Committee can establish a short list of the eligible applicants to be interviewed, on the basis of qualifications and documented experience in scientific activities on the specific subject of the research fellowship. All the stages of the selection procedure (e.g. meetings of the Selection Committee, interviews and so on) can be performed also using electronic devices for the communications.

Applicants selected for the interview will be summoned with 15 days notice by e-mail with acknowledgement of receipt, containing the individual score for qualifications.

The total ranking score is 100 points, of which 70 points is the maximum score for qualifications and 30 points is the maximum score for the interview.

At the end of the selection procedure the Selection Committee will draw up the ranked list.

The approval decree of the selection procedure and the ranked list will be published on the following website: <http://www.arcetri.astro.it>.

Art. 9 – Awarding of the fellowship

The highest ranked candidate will receive written notification of award of the research fellowship. Within 10 days from receipt of the formal notification of the award she/he must provide a formal declaration of acceptance of the research grant. The declaration will also state that she/he is not subject to any of the exclusion conditions listed in article 4 of this Call.

If the candidate does not provide declaration of acceptance within a time limit of 10 days, she/he will surrender his/her entitlement to the research fellowship and it can be awarded to the next ranked candidate.

Under no circumstances the signing of the contract starts a subordinate employment relationship or ensures any rights to access permanent INAF staff positions.

Art. 10 – Fellowship obligations

The holder of the fellowship:

- will start the research activity at the date due as for the contract at INAF-Osservatorio Astrofisico di Arcetri, unless prevented by force majeure or exceptional circumstances, of which the Director of INAF-Osservatorio Astrofisico di Arcetri must be timely informed;
- will carry out her/his research activities under the supervision of Simone Esposito who will monitor the fellow's progress.
- is required to issue an activity report every 12 months. The activity reports will be subject to approval from the scientist in charge of the project and will be transmitted to the Director of INAF-Osservatorio Astrofisico di Arcetri. Approval failing, duly reasoned by the scientist in charge, will give INAF-Osservatorio Astrofisico di Arcetri the right to terminate the contract;
- is required to send a written note in case of withdrawal, with at least 30 days notice, otherwise the INAF-Osservatorio Astrofisico di Arcetri is entitled to retain or request the reimbursement of the salary amount corresponding to the notice time-span she/he has failed to send.

The holder of the fellowship who does not carry out her/his research activity regularly without producing justified reasons or lacks repeatedly to fulfil requirements or, according to the evaluation of Dr. Simone Esposito, eventually shows evident lack of skills at the planned research activities, will incur the termination of the contract.

Temporary suspensions of the research fellowship are due in case of obligatory maternity leave or in case of illness which lasts longer than one month or to any other serious reason. The reasons for suspending the research fellowship must be proved and certified, and promptly sent to the Director of INAF-Osservatorio Astrofisico di Arcetri.

Art. 11 – Proceeding Responsible

The Responsible of this Call proceedings is Dr. Serena Donati (email: donati@arcetri.inaf.it).

Art. 12 – Applicable regulation

The INAF- Osservatorio Astrofisico di Arcetri shall abide by provisions in force promoting equal opportunities for women and men, non-discrimination and respect of privacy in processing personal data.

For what not explicitly mentioned in this announcement, the INAF- Osservatorio Astrofisico di Arcetri shall act in compliance with the regulations in force concerning Italian public selection procedures, when applicable by analogy.

Firenze, November 24th 2016

Dr. Filippo Mannucci
